

Specific Instructions for Marine Services.

812 001 - Dry Docking Services - Service include, but are not limited to the lifting of vessels out of the water for inspection, maintenance and repair of hull surfaces and undocking after completion of work. This includes floating dry docks, graving dry docks, marine railways, vertical lifts, and travel lifts and cranes used in the removal of marine vessels from the water for the performance of inspection, testing, maintenance and repair services. Services include, but are not limited to, providing all provisioning, labor and materials for dry docking operation of a variety of classes of marine vessels.

812 002 - Dockside Maintenance and Repair Services - Services include, but are not limited to, the performance of full inspection, testing, repair, and maintenance services for Federal marine vessels. These maintenance and repair services could include, one or more of the following: preservation of ship structures, deck covering systems, welding processes, temporary hull access, electrical and HVAC systems, auxiliary machinery systems, shipboard ventilation systems, electrical rotating machines, generators and motors, propulsion systems, and tank and void inspection, testing, repair and maintenance.*

**The application of paints, sealants and adhesives is covered under Schedule 03FAC, SINs 801 001 and 002. Services under this schedule would not include the Boat Modification Packages that are offered under Schedule 84, SIN 260 98, Ancillary Services.*

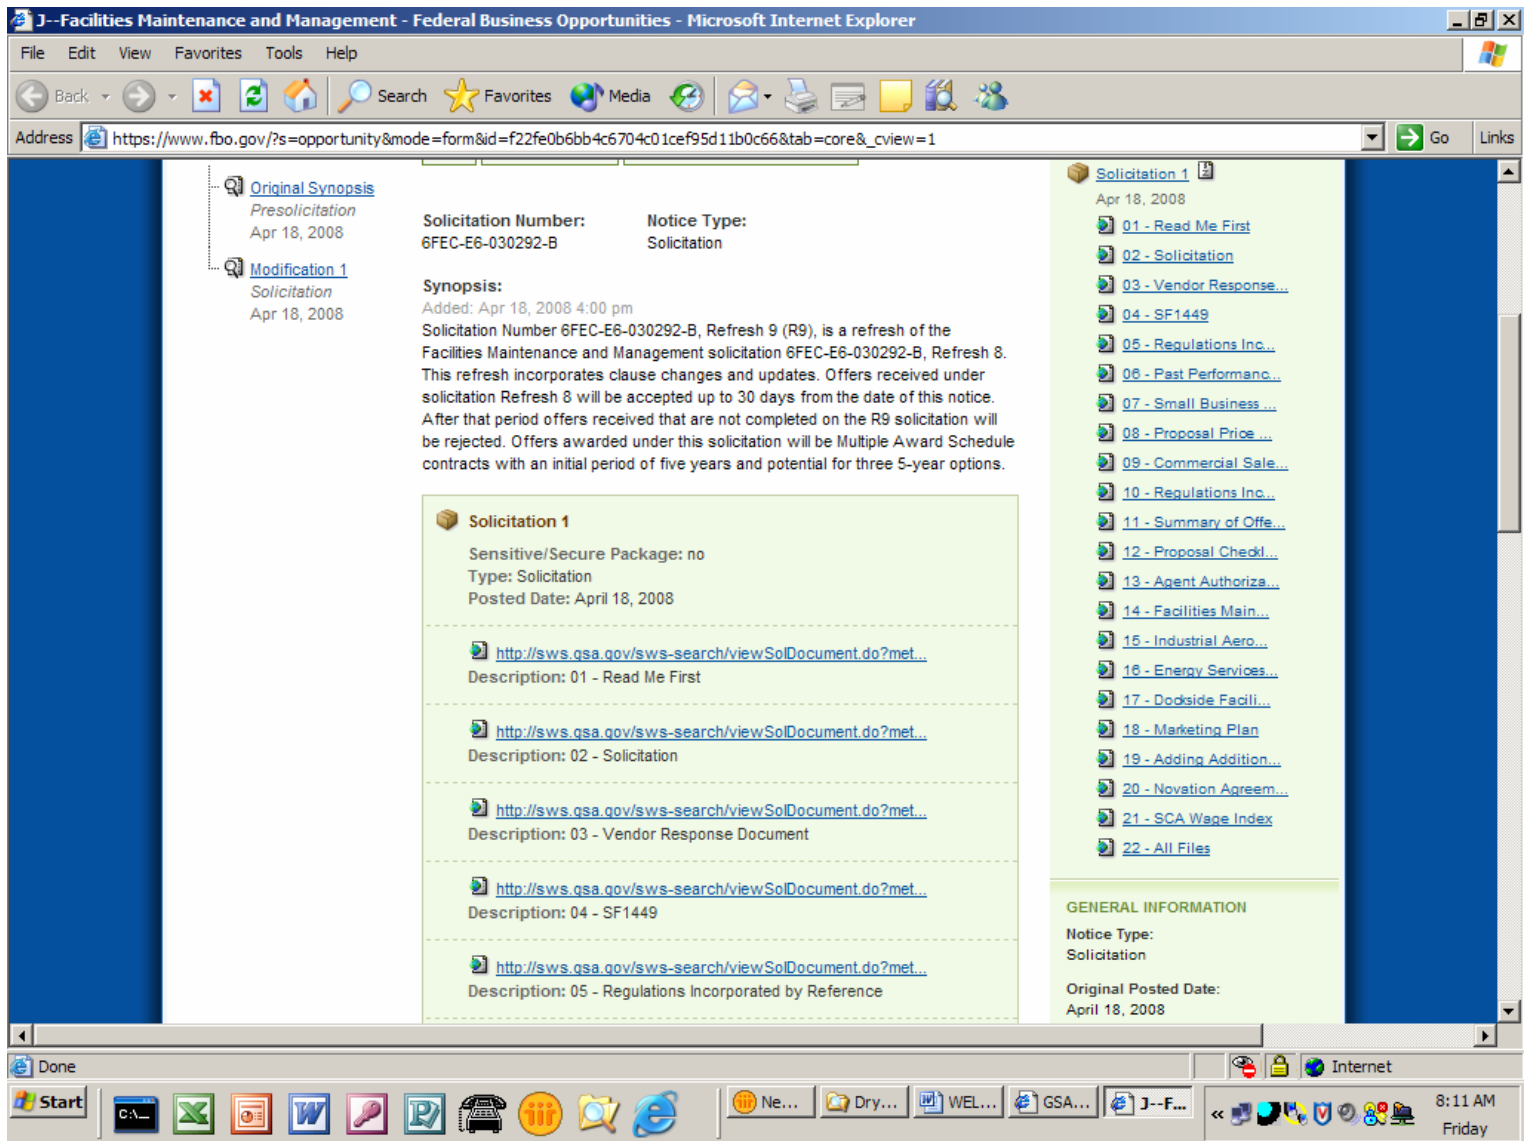

You can access the solicitation documents through our Elibrary at: www.gsaelibrary.gsa.gov. Go to the 03FAC schedule. There is a box at the top of the schedule listing entitled "Vendors" see below. You click here to get to the documents on FEDBIZOPS:

Click the “Vendors” box and you will see this page:

The screenshot shows a Microsoft Internet Explorer browser window displaying the J--Facilities Maintenance and Management page on the FEDBIZOPPS.GOV website. The browser's address bar shows the URL: https://www.fbo.gov/?s=opportunity&mode=form&id=f22fe0b6bb4c6704c01cef95d11b0c66&tab=core&_cview=1. The website header features the FEDBIZOPPS.GOV logo and navigation links: Home, General Info, News, Opportunities (highlighted), Agencies, and Privacy. Below the header, there are links for Buyers (Login | Register) and Vendors (Login | Register), along with an Accessibility link. The main content area is titled "J--Facilities Maintenance and Management" and includes the GSA logo. It provides details for Solicitation Number: 6FEC-E6-030292-B, Agency: General Services Administration, Office: Federal Supply Service (FSS), and Location: GSA, FSS, Heartland Region (6FC and 6FL). The page has tabs for Notice Details, Packages, and Interested Vendors List. The Notice Details tab is active, showing a "Complete View" section with links for Original Synopsis (Presolicitation, Apr 18, 2008) and Modification 1 (Solicitation, Apr 18, 2008). The Solicitation Number is 6FEC-E6-030292-B, and the Notice Type is Solicitation. The Synopsis states: "Added: Apr 18, 2008 4:00 pm. Solicitation Number 6FEC-E6-030292-B, Refresh 9 (R9), is a refresh of the Facilities Maintenance and Management solicitation 6FEC-E6-030292-B, Refresh 8. This refresh incorporates clause changes and updates. Offers received under solicitation Refresh 8 will be accepted up to 30 days from the date of this notice. After that period offers received that are not completed on the R9 solicitation will be rejected. Offers awarded under this solicitation will be Multiple Award Schedule contracts with an initial period of five years and potential for three 5-year options." Below the synopsis, there is a box labeled "Solicitation 1" with the text "Sensitive/Secure Package: no". On the right side, there is a section titled "ALL FILES" with a list of documents: Solicitation 1 (Apr 18, 2008), 01 - Read Me First, 02 - Solicitation, 03 - Vendor Response..., 04 - SF1449, 05 - Regulations Inc..., 06 - Past Performanc..., 07 - Small Business..., 08 - Proposal Price..., 09 - Commercial Sale..., 10 - Regulations Inc..., 11 - Summary of Offe..., and 12 - Proposal Checkl... The browser's status bar at the bottom shows "Done" and "Internet".

Next: You will see a list of all the solicitation documents.

You will need to download documents "Description 01" thru "04", "06" (and 07 if you are classified as a large business), "08" & "09", "11" thru "13", and "18". You will need "15" if you plan on being listed for "Marine Painting" and "17" for the new "Dockside Services".

Your submission should be sent in a 3-ring binder with all attachments tabbed as well as one electronic copy (CD). If you do this up front your offer will be easier to process and shorten the time it takes to be awarded your contract. The documents should be fairly self explanatory, but if you need help, please don't hesitate to call me at 816-823-1626 or Email me at dave.schaad@gsa.gov and I should be able to answer any question you have.

Thanks for your interest and good luck on your offer!
